Highlights

Cup is dishwasher safe

All parts are dishwasher safe for convenience

One piece spout

The valve is built into the spout, ensuring assembly is fast and hassle free.

Ripple shape

Container of the sippy cup is designed to allow easy grip for little hands.

Spill free cup

Built in valve for spill free drinking

BPA free

This sippy cup is made from BPA free material

Easy drinking

The one-piece silicone spout is easy to drink from: liquid starts flowing when pressure is applied to the spout.

Compatibility across the range

The new Philips Avent cup is compatible with the Philips Avent Natural and Classic bottle range, excluding the glass bottle
